**MESSAGE FROM YOUR PRESIDENT****WORDS FROM THE PRESIDENT**

As we begin this new year, we want to continue what our founding members started, to enjoy this car and the friends we have made because of the our love of our Corvettes.

We have begun this new year on a positive note with a good showing at our January planning meeting. We started off by filling the calendar with dates of some of our regular events and other popular Corvette events. Then we had members help fill dates with things they want to help put on. It's great to see the enthusiasm in helping to plan this new year. Remember, there are still plenty of dates to do other events. Just get with Charlie Miget with your ideas and dates and we will try to make them happen.

Then there is the excitement about another Mouse Race, to help raise much needed money to help friends and locals that have been devastated by the recent tornados. Our Mouse Race Committee did a great job last year with the V.A. Hospital Fund. They will need a lot of help from all of us in a short time. I am asking all of our members to help make this a success.

I am looking forward to this year. Please participate and enjoy the events you can and the friendships we make in the St. Louis Corvette Club.

Marty Dooley  
President - 2011

VETTE OWNER THERE  
WITH AN OPINION

Thank you from Kevin Bayliss-

To everyone in the club,  
Thank you for all you all did for Vikki and I while I was deployed last year. There is no way I can thank each of you individually because so many of you did so much for us. Even the little things like calling Vikki meant more than you can know.

Vikki and I speak often of Vettes on the Rockies (2008) when we by chance ran into and starting talking to Carl and Sharon Ballinger. I saw the STLCC on Carl's nametag and found out we live just a few miles apart. Carl and Sharon invited us to have a beer with the rest of the group that was there. Talk about fun people! Vikki and I know how fortunate we were to meet such a great group of people. We count ourselves fortunate to have meant all of you.

Being deployed and away from home is difficult-but it's much less so when you have good friends you can count on at home!

Vikki and I thank you from the bottoms of our hearts!
